SELLER reserves the right to modify the delivery dates with notice to BUYER. (Constructive placement of car is defined by the point in time which the railroad notifies the consignee the railcar is available for delivery into consignee facility). After the ten (10) free days allotted, BUYER will pay a daily rental charge per railcar of \$90 for each day until the car is released to the railroad. This charge will be in addition to any other charges levied by any third party company such as, but not limited to, railroad railcar storage or demurrage charges. Payment will be due and payable upon receipt of an invoice specifying such car, period and charges. BUYER agrees to deliver the railcars in a safe condition, in good repair, in the same condition as when first received, and completely evacuated. Adjustments resulting from the SELLER'S having met a good-faith offer from another supplier will be made with BUYER within thirty (30) days.

SELLER has the right to control the defense, compromise and settlement of any third party claims to which BUYER'S indemnity obligations apply pursuant to this Article 10. This Article will apply regardless of the type of assertion being made including, without limitation, any legal, equitable, or admiralty causes of action or rights (including, without limitation, negligence, strict liability in tort, other tort, express or implied warranty, indemnity, contract, contribution or subrogation), whether the assertion is made by a party to this AGREEMENT or any third party.

## **11. ADDITIONAL TERMS**

If SELLER does not explicitly agree in writing with such use after notification from BUYER, BUYER will immediately ensure such use is terminated, or will terminate its arrangement(s) with its down-stream customer if such use originates there.

11.4. BUYER represents and warrants that (a) it understands the nature and characteristics of the PRODUCT(S) and any hazards associated with its use; and (b) it will adequately instruct, train and warn all persons, including all third parties, who may come in contact with, or will be in the vicinity of, the PRODUCT(S) in the proper safe use, handling, and disposal of the PRODUCT(S). 11.6. BUYER acknowledges that PRODUCT(S) may not meet applicable government procurement requirements and that SELLER may not be able to provide information required by government procurement regulations; and SELLER shall have no liability whatsoever with respect to any requirements relating to, or arising from, any government procurement regulations, unless first agreed to in writing, signed by an authorized representative of SELLER.

11.7. No type of contractual obligation between BUYER and its customer(s) shall be applicable to, or create any liability with respect to, SELLER, whether via "pass-through", flow-down" or otherwise, and BUYER shall not otherwise represent to its customer(s) such purported SELLER liability.

11.8. The rights and obligations under Articles 4, 6, 7, 9, 10 and 11 herein shall survive the cancellation, termination or expiration of this AGREEMENT.

11.9. Should any part of this AGREEMENT be deemed invalid by a court of law, the remaining provisions of this AGREEMENT remain in full force and effect if the economic and legal substance of the transactions this AGREEMENT contemplates are not affected in a manner materially adverse to a party.

11.10. The waiver of any failure to meet the requirements of any term or condition of this AGREEMENT shall not operate as a waiver of any subsequent failure to meet the requirements of such term or condition or as a waiver of any other rights in this AGREEMENT. Failure of SELLER to effect any available right or remedy shall not be construed to operate as a waiver of same.

11.11. This AGREEMENT constitutes the complete and final agreement between the parties. All prior agreements, negotiations, or understandings, whether oral or written, between BUYER and SELLER concerning the subject matter of this AGREEMENT are expressly merged into and superseded by this AGREEMENT. The parties intend this statement of their agreement to constitute the complete, exclusive, and fully integrated statement of their agreement. As such, it is the sole expression of their agreement, and they are not bound by any other agreements of whatsoever kind or nature. The parties also intend that this AGREEMENT may not be supplemented, explained, or interpreted by any evidence of trade usage or course of dealing. The parties did not rely upon statements or representations not contained within this AGREEMENT.

11.12 Any amendment or modification of this AGREEMENT or any term or condition herein shall be unenforceable unless it is evidenced by a writing signed by an authorized representative of each party.

11.13. BUYER and SELLER agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this AGREEMENT.

11.14. SELLER'S acceptance of (a) payment; or (b) specially endorsed checks shall not waive or limit any right or remedy of SELLER.

11.15. Nothing contained herein is intended nor shall be construed as creating a partnership, joint venture, agency, distributorship or any other relationship except buyer and seller; nor shall either party be construed as acting as an agent, distributor (in the absence of a separate, executed Distribution Agreement), or representative of the other party; nor shall the employees of one party be deemed to be employees of the other party. This Section shall apply notwithstanding any communications of any kind between the parties to the contrary.

11.16. BUYER shall not resell or distribute PRODUCT(S) except to its AFFILIATES, without a separate, concurrent Distribution Agreement with SELLER.

11.17. Each party giving or making any notice, request, demand or other communication (each, a "Notice") pursuant to this AGREEMENT shall give Notice in writing and use one of the following methods of delivery: personal delivery, Registered or Certified Mail (in each case, return receipt requested and postage prepaid), nationally recognized overnight courier (with all fees prepaid), facsimile or e-mail. 11.18. All headings herein are for reference only and do not affect the interpretation or construction of this AGREEMENT.

11.19. BUYER warrants that it has a robust, effective compliance program in effect, including but not limited to what is required by applicable laws or regulations, the primary precepts of which are available for review by SELLER.

11.20. Counterparts shall be defined as any executed original, including electronic execution, of this Agreement, each of which shall constitute an original. All signatures, electronic or otherwise, need not be on the same executed original.

11.21. BUYER warrants that it will not use, return, dispose of, sell or give away any packaging of PRODUCTS, including but not limited to drums or totes, except as directed by SELLER and in accordance with all applicable regulations. If SELLER does not provide direction, BUYER shall dispose of all PRODUCT packaging in a safe, responsible and compliant manner and in accordance with all applicable regulations.

11.22. BUYER and SELLER each agree that they will not share any information that could be, and no information that is shared shall be, considered "private" under any applicable law or regulation, except as described elsewhere herein, or in a non-disclosure agreement executed by the BUYER and SELLER and referencing this AGREEMENT.

11.23. BUYER shall at all times during the TERM and afterwards, maintain ADEQUATE INSURANCE, defined as general liability insurance to cover product liability, acts of omission or commission, negligence, professional liability or other fault; environmental or pollution insurance, liability insurance pertaining to the operation of automobiles or other vehicles and workers' compensation insurance for employees who are engaged in any work pertaining to this AGREEMENT, all in amounts and coverages typical of companies engaging in contracts such as this AGREEMENT. Upon request of SELLER, BUYER shall provide a certificate of insurance indicating adherence to the foregoing.

11.24. BUYER hereby acknowledges that it, as well as the PRODUCT(S) or services being provided hereunder, may be subject to export controls, embargoes, sanctions and similar laws, regulations and requirements. BUYER warrants and represents that it is not the subject of any trade or economic sanctions promulgated by the government of the United States (including any executive order of any branch or department) or any other jurisdiction in which it is located or operates, including but not limited to, United Kingdom, or the European Union (collectively, "Sanctions"). BUYER will not allow a Blocked Person to have an ownership interest in or control of the Product(s), nor shall BUYER divert shipment of Product(s) to a Blocked Person. "Blocked Person" means any person or entity that is now or at any time (a) on a list of Specially Designated Nationals issued by the Office of Foreign Assets Control ("OFAC") of the United States Department of the Treasury or any sectoral sanctions identification list, or (b) whose property or interests in property are blocked by OFAC or who is subject to Sanctions, or (c) otherwise designated by the United States or any regulator having jurisdiction or oversight over a party, to be a person with whom a party is not permitted to extend credit to or with regard to whom a business relationship may result in penalties against such party or limitations on such party's ability to enforce a transaction. BUYER shall promptly notify SELLER of any violations of any of the laws or regulations, including those described above described above. In addition, BUYER shall indemnify, defend and hold SELLER and all of its affiliates harmless from any cost, expense or loss related in any way to CUSTOMER's or its employees', subcontractors' or agents' breach of the warranty and representation contained herein.
